Dear Mr. DeWaal:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "Consulting and expenses", and "Consulting fees." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) prohibits a committee from accepting contributions from a person in excess of \$5,000 per calendar year. For your information, a partnership is included in the definition of "person" under 2 U.S.C. §431(11).

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.
